## NEWS RELEASE

### **ASIA CAPITAL RE NAMED 'INSURANCE COMPANY INVESTOR OF THE YEAR' FOR THE FOURTH TIME**

**Singapore, 21 June 2016** – Asia Capital Reinsurance Group Pte. Ltd. (“Asia Capital Re”) has been named ‘Insurance Company Investor of the Year’ in The Asset Triple A Asset Servicing, Fund Management and Investor Awards 2016. This is fourth time since 2012 that Asia Capital Re’s investment excellence has been recognised under the ‘Investor of the Year’ awards category.

The Hong Kong-based publisher’s annual awards honours companies that have demonstrated the most initiative and progress in building a sound investing model and an operational framework to generate consistent returns despite difficult market conditions. In its review of Asia Capital Re’s investment performance for the period 1 January to 31 December 2015, the Asset’s Board of Editors continued to favour the reinsurer’s consistent and strong investment performance that is backed by a globally diversified investment portfolio and unique ALM-focused investment approach.

Despite ongoing macro uncertainties and market volatilities, ACR has consistently delivered sustainable investment returns across different market cycles. Asia Capital Re’s Chief Investment Officer, Mr Don Guo, commented on the win: “Over the years, we have built a robust investment process that is committed to long-term sustainability, a core principle aligned with Asia Capital Re’s commitment in Asia, for Asia. This has undoubtedly allowed us to navigate smoothly through the volatile markets of 2015 as we took steps to diversify and derisk our portfolio. We are therefore very honoured to once again receive this distinguished award.”

On the award, Asia Capital Re's Chief Executive, Hans-Peter Gerhardt, said: "I want to congratulate our investment team for delivering yet another year of outstanding performance despite the difficult markets. The Asset Awards is a preeminent recognition of investment excellence that is evaluated through a stringent and rigorous review process. Asia Capital Re's fourth win is therefore a strong testament to the strength of our prudent and disciplined investment strategy."

The Asset's annual investment awards are Asia's distinguished benchmark for investment and custody practitioners in Asia.
